

Disable Forums (clean up the dashboard):

The dashboard normally shows all unread threads and looks like this:

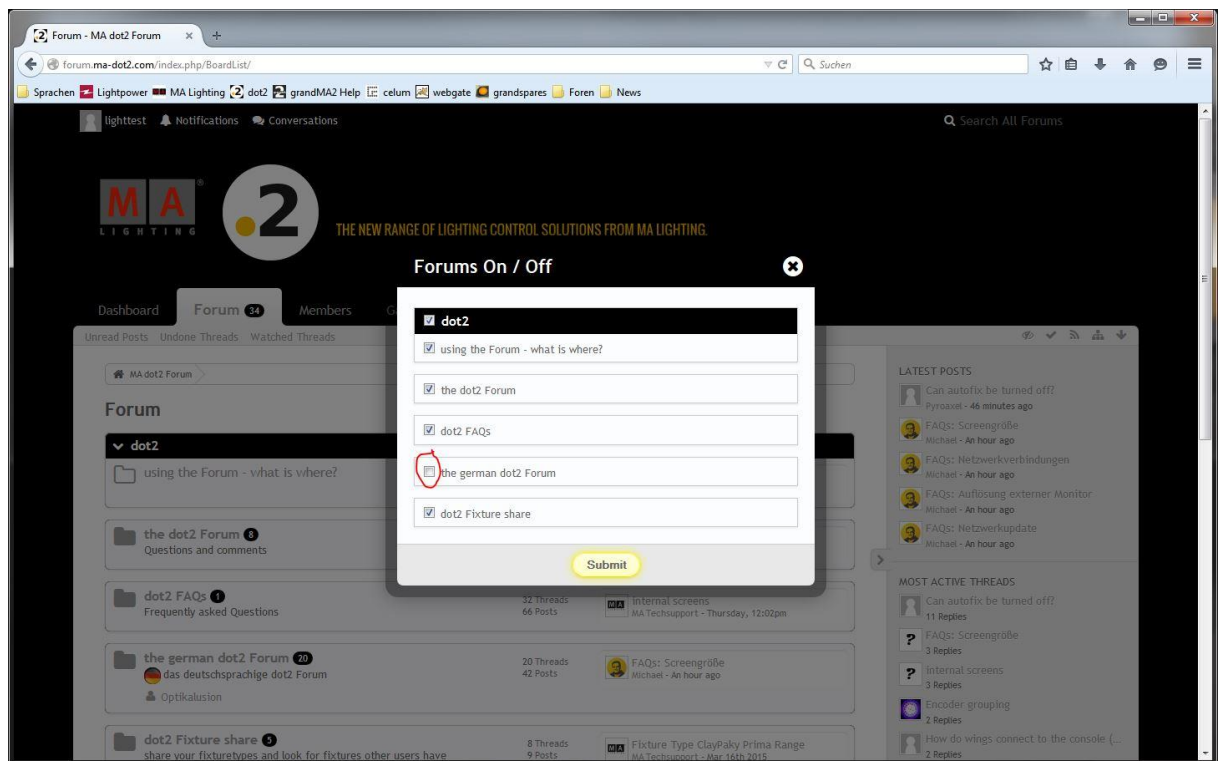

To clean up the dashboard you must disable the forums you don't want to see. Please follow these steps:

1. Go to the "Forum" tab and click on the little eye on the right side.

2. A pop up is displayed. Via a checkbox you can disable the forum you don't want to see:

3. After disabling the forum the dashboard shows only unread threads from forums you want to see:
